Southern Pacific Modernizes With Winter Approach

Radio Hookup Designed to Eliminate Traffic Delays

Highlighted by a new radio-telephone communication system, the Southern Pacific Company is making extensive improvements in order to avoid another main line tieup as the result of heavy winter storms.

With predictions for both a light and heavy winter, the railroad is taking no chance and M. L. Jennings, division superintendent, has announced the beginning of a long series of improvements ranging from increased comfort for the crews to the two-way radio hookup.

During the summer months the company's big rotary snow plows have been undergoing repairs and changes at the Sacramento shops. The fuel capacity is being increased from 14,000 to 25,000 gallons and the water tanks were also greatly enlarged.

Cabs Modernized

This was done to permit operation along the lines between fueling stations without return and will give the crews a chance to complete their between-station plowing without rushing or stopping. The cabs in the rotaries have been remodeled to permit better vision for the operators, with added comfort and an inter-train telephone system so that the operator of the plow can keep in constant communication with his engineer and the engineer on the pusher engine.

The light consolidated type engines which have previously been used on the flangers are being replaced with the huge mallet engines. Flangers are used to clear the snow and ice from around the rails after the plows have passed over them.

At Emigrant Gap and Norden tracks are being improved with an enlarged siding taking the place of the old snow shed at The Gap. A balloon track was built at this station also. Shops, offices, rest and reading rooms as well as sleeping and eating accommodations are being installed at both Norden and Emigrant Gap, James Bays, Truckee trainmaster, announced.

Between seven and eight miles of new 132-pound rail are being installed along the line as the company strives to keep its tracks and rolling stock in condition for winter useage.

Radio System

Most important of the many improvements noted by Superintendent Jennings is the radio system which eventually will extend from Roseville to Sparks, permitting communication between stations and trains and between trains.

At present the equipment is installed in the snow removal equipment and will be used this winter for the first time. Later this same service will be installed in the cabooses of the trains so the conductor can keep in close touch with the dispatcher and station agents as well as the other trains along the line.

Towers Erected

Four high antenna towers, to relay the messages, are being installed at Truckee, Colfax, Emigrant Gap and Norden.

Tests have been made of the radio equipment and Jennings has announced that it works perfectly.

The program will not end with the first storm but will continue next year, bringing the entire system up to date with the latest equipment and materials.

BULBS, SHRUBS ARE REQUESTED

Anyone with a surplus of bulbs or shrubs will find a welcome for them from the Tahoe Forest Hospital where currently a job of landscaping is being conducted by Administrator John Wardman. Those with plants to spare are asked to either bring them to the hospital or call Wardman, who will arrange to have them delivered.

Diane Cardinal Feted At Birthday Party

Mr. and Mrs. Heslin Cardinal entertained on Wednesday evening for their daughter, Diane. At refreshment time a yellow and white cake, topped with six candles in honor of her birthdate, was served and the little girl opened her gifts. Those sharing the event included P. Petroni, Mrs. Harry Digesti and son Larry, Mrs. Joe Digesti, Mrs. N. Dias and daughter Anita, Mrs. S. Passinetti and Bill Cardinal.

The Western Troubadors, a musical trio, are appearing nightly at the Sierra Tavern in Truckee.

Huge Fine Faces Operator Of Log Truck For Load

Under the new automatic penalty for violating the load limit law, William Ural Hayes, driving for the Tahoe Timber Company of Reno, is slated to pay a fine of $730 in the Truckee justice court, if convicted.

Hayes was arrested last week by State Patrolman William Gautsche who reported the load of logs being hauled from Hampshire Rocks to Reno was in excess of five tons over the legal load limit.

The officer demanded that the excess weight be removed from the truck near the Tahoe-Truckee Wye before it was allowed to proceed.

The recently enacted law provides penalties ranging upward to $1,000 for overloads and for second offenses it is mandatory for the court to assess the full amount without suspension of any part of the fine, the officer stated.

Board to Name School Official At Meet Today

The Nevada County board of supervisors this afternoon expected to bring to an end one of the most controversial questions which has come before it in many months with the appointment of a county superintendent of schools.

At the last meeting of the board the vote stood two to two, with Chairman H. G. Loehr of Truckee declining to vote, on two applications, one from Mrs. Genevieve Kent and the other for Lee Ross. Loehr took the position that his district was not affected by the appointment since the schools in this area are under the jurisdiction of the superintendent of Placer County. Loehr asked that the districts concerned attempt to reach a conclusion.

However, the board chairman today will be called upon to decide the issue unless the deadlock has been broken through an agreement since the last session of the board, and he has indicated he will take a definite stand if the matter is still in the balance.

Mrs. Doris Foley, whose appointment had once been made by the board, resigned when it was revealed she did not have the proper credentials required by the state board of education.

29th Forest Fire Halted by Crew

The 29th fire in Truckee District of Tahoe National Forest for the 1952 season was quickly snuffed out by the Truckee suppression crew on Tuesday morning, after they were called to Dry Creek Road, two miles south of Little Truckee River.

On the previous Thursday the crew put out an incipient blaze near Tahoe Pines.

In both instances the damage was negligible, according to Henry Toccalini, local dispatcher, and both caused by hunters who evidently were smoking in the woods.

TAVERN THIEF IS SENT TO PRISON

Edward Joseph Madeiros, 29, was sentenced to San Quentin prison on a charge of grand theft by Judge Lowell Sparks in the Placer County superior court at Auburn. The defendant was charged with the theft of $924.94 at Rainbow Tavern last July 16. He originally pleaded not guilty and later changed his plea to guilty. Probation was denied by the court.

APPROVE DEPUTIES FOR TAHOE AREA

Sheriff Charles Ward has been authorized by the Placer County board of supervisors to hire two deputies to undertake patrol work at Lake Tahoe during the winter months. The men were to be employed effective October 15.

The patrolling program has been underway at the lake during recent years to guard against burglaries during the winter. The deputies will be paid $200 a month and mileage.

High Grid Team Drops Game; To Play On Saturday

Enthusiastic Squad Will Invade Sparks For Contest

The Tahoe-Truckee High School Wolverines dropped their 1952 opening football game last Friday to the Loyalton Grizzlies by a score of 19 to 0. The Wolverines were bewildered by the Loyalton split-T attack during the first four minutes of the game as Loyalton pushed over two scores on wide end sweeps.

Tahoe-Truckee had their best chance in the third period when they reached the Loyalton 10-yard stripe, only to be stopped one yard short of a first on a fourth down plunge by Fullback Lewis Fellows.

The local squad looked good in their first appearance and should improve with added experience. The game was well attended by Truckee and Lake Tahoe fans. One more game has just been added to the schedule. The Wolverines will meet the Sparks junior varsity on Saturday, October 18 at Sparks. Game time is 10 a.m.

Other scheduled games are Lincoln at Lincoln, Tuesday, October 21 at 3 p.m.; Pine Grove at Tahoe City, Saturday, October 25 at 2:30 p.m.; Chester at Chester, Friday, October 31 at 2:30 p.m.

Sportsmen Stew Is Attended By Large Crowd

Capitol Hall was filled to overflowing Sunday as between 500 and 600 people enjoyed the annual free buck stew sponsored by the Truckee Outdoor Sportsmen. The affair from all points was an outstanding success and reflected credit on its sponsors.

The savory stew, prepared to perfection by Mrs. Julia Ciardella, was plentiful and despite the huge crowd, there was ample for seconds and everyone apparently had plenty.

Johnny Ciardella, president of the club, presided over the festivities while his wife, with Mrs. Ruth Campbell, Mrs. Albert Pfaendler and Earl Brown served as k.p.'s and dished out the venison and trimmings.

Ciardella expressed the appreciation of the club for the many nice gifts which were distributed during the afternoon, the automatic shotgun going to Robert Edwards of Truckee.

BROWNIES PARTY SATURDAY WITH VISIT TO MOVIE

Troop No. 1 of Brownies is having a Donner Theater party on Saturday evening, October 18, with refreshments to be served following the 7 o'clock show. Mesdames Jack Ellis, Harry Barnes and Fred Pedley will act as chaperones for the evening.

The following girls plan to attend: Stephie and Vicki Firpo, Donna and Ginger Barnes, Varlen Frey, Cynthia Reynolds, Shirley Patten, Terry Ellis, Karen Smart, Kathy Curran, Lyla Frates, Diane Kaspian, Kathryn Barrett, Linda McEwen, Donna Gracik, Shirley Guymer, Alice Landers, Lynn Bays, Francie Ann McGwinn, Mary Pratt, Helen Kohl, Sandra Wardman.

Two Are Sentenced On Sobriety Counts

Leon Lawson, 38, who gave his address as Georgia, and a companion, Charles Crayne, 33, transient, were given 25-day jail sentences in lieu of fines of $50 assessed by Judge F. W. Wilson Monday on charges of violating the county's sobriety ordinance.

The two were arrested in a car by State Patrolmen Martin Sturcke and Carroll Maynard Saturday.

Judge Wilson reports more than 30 traffic citations were brought to his court from the patrol as a result of the heavy weekend traffic in this area.

Sun Beams

by Walter M. Barrett

Law enforcement officers over the entire country are on the lookout for the murderer or murderers who beat to death a popular Chester grocer and three small children during a robbery last week. We do not doubt the slayers will be found eventually and we can wish them no better than the same treatment they gave their helpless victims. Records, however, show that such will not be the case. The brutal slayings recall another near Redding a few months ago in which two sheriff's deputies were murdered. Their killers were later sentenced to serve life terms in one of the nation's most humane prisons where any unsatisfactory food, the taking away of personal privileges or similar "misconduct" by prison officials may result in riots by the "unfortunate" inmates. It can only be hoped that the slayers of Guard Young and the three children will never be subjected to such a "fate," but that a fair minded jury will deal out just punishment and that the courts see to it that the extreme penalty is inflicted. Still a more fitting end for the fiend or fiends would be for their captors, if and when they are finally apprehended, to make their escape totally impossible. Too often this type of crime brings sympathy and pity from sob sisters and so-called reformers, or the criminal is allowed to take advantage of quirks in the laws, designed to protect the innocent, and escape with minimum punishment.

There is and will be a lot of talk between now and November 4th, as candidates and issues are discussed pro and con. However, it will be the vote which counts in the end—and every vote will be of equal importance, your's just as vital as any—so plan now to vote and see to it that every member of your family who is eligible does likewise. Don't get the idea that because you have only one in many millions of votes to be cast that it doesn't count.

JUVENILES HELD BY LOCAL POLICE

A 17 year old boy and a 15 year old girl, both from Oregon, were apprehended here Monday night by Constable N. F. Dolley and taken to Nevada City where they were turned over to the probation officer. The two were traveling as man and wife, Dolley said, and were held as runaway juveniles.

Towler Family Leaves Sierra for Southland

Mr. and Mrs. E. C. Towler and sons Ernest, Joel and Tom have moved to Los Angeles where the former is still employed by the Southern Pacific. Their many local friends will be sorry to see them leave and wish them success in their new home.

Mrs. Towler was guest of honor at a handkerchief shower given by members of the Woman's Society of Christian Service October 2. She had been an active member of the PTA and the Community Methodist Church here.

Deputy District Governor Is Speaker at Lions Club

Gordon Daniels, deputy district governor, spoke at last night's meeting of the Lions Club, explaining how the per capita "tax" was allocated for different functions. Other visitors included W. J. Jones, Sacramento; Mel Laven, Bob Bowers and V. Lane Dyer, all of Reno; Jack Jones of the Southern Pacific engineering department and Ellis L. Pratt of the Crockett Rodeo Club.

Buy Merchandise—

Mr. and Mrs. Robert Leamon returned from San Francisco on Saturday where they attended to business for Leamon's Furniture. Leamon observed his birthdate at a family party on the 11th.

From Fallon—

Mrs. W. A. Perkins of Fallon, Nev., was a business visitor here Tuesday.

Local Men Will Operate Donner Hotel After Deal

Frates, Rau Will Manage Hotel, Restaurant In Truckee

A change in the management of the Donner Hotel on Bridge Street was announced this week by Spartacus Bologno, who is selling the stock and equipment to Edward (Nook) Frates and John Rau, well known Truckee young men.

The lease is still held by Bologno, who is transferring the liquor license and other details of the business to the new managers. The building and adjoining home both covered by the lease are owned by Mr. and Mrs. Pete Lazzari, now operating the Star Hotel on River Street.

Bologno, who has been here for the past three years, plans to leave with his family in the near future for the San Francisco Bay area. He said that his future plans are still indefinite but that for the time being he will enjoy a well-earned rest.

The new managers are not strangers in Truckee, where they have resided for many years. Frates has been employed as equipment operator by the County of Nevada, a position which he proposed to hold. Rau said he also plans to continue working in the water department of the Southern Pacific company where he has worked since coming to Truckee.

The new partners plan renovating and remodeling the 14 rooms, dining room, kitchen and bar during the winter months, at the same time keeping the bar and dining room operating to a limited degree during alterations.

While transfer of the licenses is still pending, Rau and Frates have already taken charge at the Donner and their many friends will wish them success in their new venture.

MRS. RABLIN WILL HEAD HIGH SCHOOL P.T.A. DURING YEAR

The first meeting of the 1952-53 Tahoe-Truckee High School PTA was held in the high school cafeteria last Thursday at 7 p.m. Approximately 100 attended the meeting and pot luck supper.

The officers for the 1952-53 school year, suggested by the nominating committee and elected by the group, are Mrs. John M. Rablin, president; Mrs. Jerome Little, first vice president; George A. Bergen, second vice president; Mrs. A. Sanford, treasurer; Mrs. Elwood Buehler, recording secretary; Mrs. Asa Abbott, corresponding secretary; Mrs. E. V. O'Rourke, parliamentarian; Mrs. B. K. Miller, historian.

Mrs. Thomas E. Lawsen, president, California Congress of Parents and Teachers, installed the officers. Mrs. Lawsen was accompanied to Truckee by Mrs. N. J. Hallam, extension director, third district. Forty-seven people became charter members of the High School PTA at this meeting.

The organization's executive board will meet at the high school at 3 p.m. October 23.

Big Roll of Wire Is Reported Missing

Max Porter, wire chief for the Pacific Telephone and Telegraph Company, reported to Deputy Sheriff Roy Waters that a 400-pound roll of steel covered cable had been stolen from where it had been left on Donner Summit. The loss was noted Saturday, Porter said.

At Sea—

Perry J. Rablin has returned to duty with the U. S. Navy following a leave during which he visited his family here.

Weekend Guests—

Mrs. M. L. Phillips had as her weekend guests Mr. and Mrs. John Etcheberry of San Francisco.

Arraiz to Valley—

Mr. and Mrs. Valerio Arraiz have returned to Roseville this week after spending the summer on their local ranch.

Donner Resort Sold To Capital Men This Week

John Houtman and Bert Marvich, both of Sacramento, have purchased the Donner Summit Lodge at Soda Springs.

The new owners were slated to take over ownership of the resort yesterday from William Rutherford and James Horak. Rutherford was the original builder and owner of the resort.

Houtman disclosed the price to be in excess of $300,000.

Work Going On

He said the resort is being redecorated and new furniture is being installed. It will be open, he added, while the changes are being made.

Houtman said Rutherford and Horak are retiring from the business. He reported Rutherford plans to take an extensive vacation, including a trip to Mexico.

Rutherford has been connected with the lodge since 1932 and it was under his supervision that a new building was erected in 1946.

Sports Area

The resort, 6800 feet in elevation, is in the heart of northern California's most popular winter sports regions.

Houtman is experienced in the hotel business and Marvich has had years of experience in operating restaurants. He is a partner in the Dinner Bell Restaurant at 908 K Street and Bert's Cafeteria at 12th and I Streets in the capitol city.

VETERANS PLAN FIFTH ANNUAL HALLOWEEN FETE

KINGS BEACH— The fifth annual Halloween Party, sponsored by the Lake Tahoe Post No. 7907, Veterans of Foreign Wars, will be held Saturday, October 25, at Bert Cochran's Log Cabin at Crystal Bay.

Bill Duggan, the post quartermaster, reports plans are being completed for the event, one of the highlights in the annual activities of the flourishing organization. Dancing, refreshments and a program following the Halloween motif is sure to attract a large attendance.

Everyone is invited to participate and a good time is assured.

Visitors Swell Rebekah Meet

Naomi Rebekah Lodge held a regular meeting last Wednesday with Noble Grand Pearl Heller presiding. Twenty-one members were present with 14 visiting members from Loyalton, one from Portola and one from Grass Valley.

Following a short business session, Lois Hartnell, goodfellowship chairman from Loyalton, presented the lodge with the "Heart of Friendship." The members from Loyalton exemplified a beautiful tableau representing Friendship. Following the tableau refreshments were served by Laura Harmon, Louvena Rablin, Alma Medford and Mary Wallis.

The members are reminded of the trip planned to Colfax on October 17 when the local lodge will put on a program for the President's project.

Lilio Guidis Are Parents of Son

Mr. and Mrs. Lilio Guidi became the parents of their first child, a son, at San Francisco October 6. The lad has been named Larry Rudolph. The father, a former resident, made his home here several years ago with his parents, Mr. and Mrs. G. Guidi.

Going to L.A.—

Mr. and Mrs. Roy Stark of Tahoe City are leaving this weekend for Los Angeles where they will visit for several weeks at the R. V. Stark home.

Winter in Oregon—

Mrs. Amelia Marrata is leaving Truckee to spend the winter in Oregon.

Wedding Date—

Mr. and Mrs. E. K. Stice observed their wedding anniversary Saturday, October 11.

In Paradise—

Mrs. Oscar Schumacher attended the Apple Festival at Paradise this week.

Travel Continues To Set Records Over Highway 40

Truckee is Far in Front As "Port of Entry" Into California

Although there was a sharp drop in travel entering California during September as compared to the record-breaking August, the Truckee department of agriculture's quarantine station remained in a strong second place among the 18 ports of entry.

Exclusive of the "Brockway" station, which is now located just south of Truckee on State Route 89 and from which all travel must use Highway 40, the local station checked 48,242 cars, 2,901 trucks and 682 buses, with a passenger total of 152,168.

The "Brockway" station added another 1813 cars to bring the total here to 50,055, compared to 65,820 during August when Truckee occupied first place as a port of entry.

On Highway 50

The Meyers station on Highway 50 checked only 14,126 cars, 208 commercial vehicles and 32 stages. The passenger count was 37,345.

Yermo again soared ahead of Truckee with a total of 52,372 cars, 2,269 trucks and 416 stages. Aside from Yermo, Truckee had nearly twice as many cars checked here as any of the other stations, the monthly report from the department indicates.

Over the state as a whole, 315,871 cars, 21,512 trucks and 4,021 buses were checked at the stations during September, with a passenger count of 934,375, compared to 1,246,938 passengers during August.

Car Hits Rocks 2 Women, Child Are In Hospital

Two women and a young girl suffered minor injuries Monday morning at 2:10 o'clock when a car driven by Mrs. Jean Roach, 32, Elko, Nevada, crashed into the rocks above Donner Bridge.

The car was traveling west and apparently Mrs. Roach failed to make the gradual left turn as the car went off the west end of the bridge.

Taken to the Tahoe Forest Hospital for treatment were Mrs. Roach, Mrs. Mary Olcott and the latter's daughter, Donna. They were released the following day. Patrolman Martin Sturcke made the investigation, citing Mrs. Roach for driving without due caution and for not having her vehicle under control in a mountain area.

BALLOT ISSUES ARE DISCUSSED IN MEET OF TRUCKEE P.T.A.

A panel discussion of propositions affecting education on the November 4 general election ballot was held at the meeting of the Truckee Parents and Teachers Association in the elementary school. Mrs. Raymond Hintz served as moderator and other members of the panel included Mrs. John Roberson, Doug Barrett, E. V. O'Rourke and Lynn Kishbaugh.

Members of Brownie Troop No. 1 led the salute to the flag, directed by Mrs. Fred Pedley. Mrs. Helen Trask entertained with delightful piano selections.

Mrs. Les Deckwa presided at the business meeting and the second grade won the attendance prize. Refreshments were served following the meeting by Mrs. I. Firpo, Mrs. Jay Patton, Mrs. G. T. McGee and Miss Ella Waters.

LOCAL CONCERNS SEEKING HELP

There is apparently no unemployment problem in Truckee.

Both the Bank of America and the Pacific Telephone Company in this week's issue of the Sierra Sun are advertising for help. The bank is seeking to fill five vacancies, Cashier Roy Elf said, and young men between the ages of 20 and 35 need have no banking experience and will be paid while they learn. Salary adjustments have been made and men are asked to contact the bank for information.

The telephone company, Manager Howard Newsham said, is in need of operators for the local office and also points out opportunities offered in addition to good starting salaries.

Metteers in Sacramento—

Mr. and Mrs. Engene Metteer were here yesterday closing local business matters. They have purchased a house at Sacramento where the former is now employed by a meat concern.

HERE IS SUMMARY OF MEASURES ON NOV. 4 BALLOT

SACRAMENTO —(C. N. S.)— Following is a brief summary of the 24 propositions Californians will vote on November 4:

No. 1 provides a $150,000,0000 bond issue for the purchase of veterans' homes and farms.

No. 2 increases state contributions to school districts from $120 to $180 per pupil in average daily attendance.

No. 3, a referendum to determine whether a law adopted by the state legislature exempting private, non-profit schools of less than collegiate grade from taxation, shall be retained.

No. 4, an administrative amendment, the net result of which would provide additional funds to the needy blind over 65 years of age.

No. 5 prohibits communists from holding office.

No. 6, the "loyalty oath" amendment, which requires public employees to swear they are not members of a subversive organization.

No. 7 provides primary election ballots shall show political party affiliations of candidates. (An alternative to No. 13).

No. 8 exempts church buildings under construction from taxation.

No. 9 exempts private, tax exempted college buildings from taxation while such buildings are under construction.

No. 10 prohibits contributions of public monies to chambers of commerce or other organizations which engage in lobbying.

No. 11, a new proposal for administration of old age assistance, fixing such administration with the state, paying maximum assistance on the basis of a cost of living scale and eliminating relative responsibility.

No. 12 provides for payment of state officers while they are on reservist military duty.

No. 13 prohibits candidates for partisan office from cross-filing.

No. 14 repeals old restrictions on Chinese that were adopted in the early days of California.

No. 15 eliminates "PS," public service automobile licenses, requires utilities to pay regular automotive taxes.

No. 16 permits the borough form of government, an amendment primarily affecting Los Angeles.

No. 17 revises some sections of state chiropractic act, increasing membership of board from five to seven members.

No. 18 requires taxation of property in community redevelopment programs.

No. 19 provides for retention o some of the previous year's county grand jury members when new juries are appointed.

No. 20 extends state hospital aid to private, non-profit hospitals.

No. 21 permits election of judges at election next succeeding vacancy of office. (Now an appointee can hold over for two years.)

No. 22 places property owner under perjury threat in disputed assessment and throws responsibility for correctness of assessments on property owner rather than assessor.

No. 23 extends to legislature general authority to provide for description of land for tax assessment purposes.

No. 24, the $185,000,000 school bond issue to provide funds for school buildings in distressed districts.

My Place In the Sun

by DOUG BARRETT

Just a note to my friends. Truckee's younger set.....it is against the state law, you know, to ride a bicycle on the sidewalk .....however, nobody's going to kick too high if you're real careful.....but this business of laying your bikes down on the sidewalk willy nilly and leaving them is going to get somebody into some real trouble someday.....take a little extra time and put your bike on its stand.....or against a pole or building so it doesn't endanger citizens walking down the sidewalk.....a word to the wise, etc..... Bill Porter trucking his upright organ Renoward where he has a four - nights-a - week engagement at the West Indies.....after a summer stint at Donner Lake Lodge .....Reminiscent of the "Wild Goose" wanderer song was the not too wild one which waddled astride the white line on US 40..... just opposite the Catholic Church at high noon Tuesday.....unmindful of traffic and possible fate as it headed its bill Renoward for a moment in the passing parade..... A note from Dave Anderson up in Dunsmuir sending best regards from himselft, Alice and the girls to their Truckee friends.....Norma Highfill making arrangements for her absent voter's ballot..... as she prepared to take off to visit her son up in Washington .....if you plan to be absent from your voting precinct Nov. 4, you'd better apply now to the county clerk for your absentee ballot..... it has to be done before five days prior to the election or you won't be counted.....and it can be done any time now.....

McCleery and his wife expect to close their some at the lake and spend the winter in San Diego.

TAX COLLECTOR OF PLACER COUNTY PASSES AT HOME

AUBURN— George B. Lothrop, Placer County tax collector, died at his home near Newcastle on October 3. He had been in ill health for some time.

Lothrop was 56 years of age and was born near Newcastle on May 19, 1896. He had spent his life as a resident of that area.

A Navy veteran of World War I, he owned and operated a fruit ranch during much of his life.

Lothrop was appointed tax collector on January 17, 1947, to succeed Lou P. Mohan, who was moved to the post of assessor.

Lothrop was a past master of the Mt. Vernon Grange, a past commander of the American Legion and a members of the Elks, Eagles and Redmen lodges at Auburn.

He leaves his wife, Violet A., a son, a daughter, a foster son, three sisters and a brother.

Funeral services were conducted at Auburn on October 7. Burial followed in the family plot in the Newcastle cemetery, with the American Legion conducting the graveside rites.

Five applicants have entered their names for the vacancy with the board of supervisors. They include Mrs. Lothrop, widow of the late tax collector; Elsie Patrick, chief deputy tax collector; Arthur K. Brennan of Loomis; F. J. Truscott of Roseville, currently a deputy county auditor; and Robert Williams of Auburn, a deputy county assessor.

Tahoe Letter

Tahoe City, Oct. 13

Dear Tahoeites:

Our constable, Harry Johanson, has double cause for gloom this week as bad news has struck twice withnin a few days. On Saturday he learned by telegram of the death of his 86-year-old father, Edward E. Johanson, in Vanersborg, Sweden. Harry had not seen his dad for 23 years. One brother, Osten Johanson, and a number of grandchildren survive him in Sweden. Sunday evening one of Harry's two remaining white samoyede dogs, five year old Viking, was struck by a car on Dollar Hill during one of his wandering excursions from home and now is in a Reno dog hospital with his life in the balance. The motorist brought the dog to Harry when he recognized Viking and the constable nursed him through the night but he was unable to stand so today he took him to Reno weher a vet put his dislocated hip socket back into place but held out slim hope that the dog would recover. He may have to be detsroyed. Harry will know on Wednesday when he returns for the verdict.

Three hunters, Imon Mitchell of Sunnyside and his guests, William Hommerbocker of Marysville and Glen Lutz of Camptonville, had an unhappy hunting experience last Sunday. Early in the morning they arrived in the rugged region back of Soda Springs where Mitchell got his buck shortly after arrival. The three men spent over three hours trailing the big wounded four-pointer over crags and crevices, hill and dale, coming out into a meadow to find their buck—and four other hunters diligently tying one of their tags to the big fellow's widespread antlers. Argument was useless as the quartet claimed they shot at him too. It was a tough ending to a hunt that started out so promising.

Well earned vacations are being enjoyed by Tahoe City Postmaster Oliver Corona and Carrol Raymond, manager of the Lake Tahoe Sierra Chamber of Commerce.

Before I forget it I want to put in a few words for the new crew of telephone gals at our local office. Seems the summer crowd has left and a number of local ladies are being trained for the job. They are eager to give good service and are trying hard so be a little patient as they are striving hard to serve efficiently and please their exacting public. And for beginners I'd say they are doing a swell job.

Jim and Betty Baker were up from Merced over the weekend to visit at their little home on Fairway Drive. They will be wintering below but expect to visit here regularly through the winter.

I was in Reno for Friday and Saturday where our family gave a big birthday celebration for Grandpa Charlie Swanson, whose birthday was on October 10. Mr. and Mrs. Bud Mathewson of Sparks and daughter Marie and her husband hosted the dinner.

The A. M. Henrys observed their 35th wedding anniversary on October 10 but waited until the next evening to celebrate at the Lions Charter Night dinner dance at Donner Lake Lodge. Other Tahoeites attending were the Floyd Carnells, the Bill Bechdolts and their guests, the Bill Connors. A grand time was enjoyed by all. The Senior Henrys are looking forward to their coming vacation trip which will take them east to be with daughter Pat and family over Thanksgiving and Christmas holidays. Pat's huband, Lt. Lyman William Griswold Jr., USN air force, is stationed in Washington, D.C., at present. The Henrys will join Pat at the family home in Greenfield, Mass., and then drive to Washington to the Griswold apartment. They are especially eager to see their little granddaughter, Mary Tabor, who is two now. One of their nicest anniversary presents was a telephone call from Pat on the 10th extending congratulations and imparting the latest family news.

Have more mail at hand from distant places, one from the Charles Spaldings who, after 44 years of married life, are at last enjoying a visit to famed Niagara Falls.

From the flying Carlton Valentines have most interesting letters and cards from England where they have been seeing the sights on the grandest spree of their lives. Mr. V. is having a bit of a time nuderstanding the accent of the English isle but Mrs. V. is of British descent and is a willing and able interpreter for him. Her mother was born at the edge of Sherwood Forest, the traditional haunt of Robin Hood, where they spent a night. Their anniversary dinner was celebrated in a typical English restaurant, in company with their travel agent and his wife, who are escorting them to the most interesting places. When the management learned it was the Valentines' 57th wedding anniversary they were given the centerpiece, bowl and all, as a souvenir. They are amused at the left hand passing and the hacks that drive on the left side of the street. Their room in the Kensington Palace Hotel overlooked the famed gardens of the same name and the view was lovely, with rolling hills and grand old oak trees. The English people, all on close rations, still look healthy and happy despite their need to economize and maids would rather be tipped with chocolates than with money. The flags were flying at the Queen's palace, showing she was "in residence." The Valentines had "done" the Tower of London, Windsor Castle, Westminister Abbey and other historical spots. Good meals are available everywhere to tourists but the natives are strictly rationed. The Valentines were to leave for Scotland at the end of the week. Will be looking forward to their adventures in the Highlands. They send along sincere regards to all their old friends in the Truckee-Tahoe region.

Mr. and Mrs. Carl Wheat of Tahoe City were notified today of the birth of a grandson to their son and daughter in law, Mr. and Mrs. James Wheat of Auburn. Young Wheat is Placer County's chief sanitarian. The little lad weighed in at 6 pounds 4 ounces at Highland Hospital around 11 this morning (Oct. 13).

Mr. and Mrs. Herman Rauh of Sacramento were weekend guests at the home of Mr. and Mrs. Jay Shontz of Tahoe City. On Saturday Mrs. Rauh fell on the main street of Tahoe and sprained her left wrist. She was taken to the Tahoe Forest Hospital in Truckee by Mrs. Shontz, where the injured member was x-rayed and bandaged. The Rauhs returned home Sunday.

Mr. and Mrs. Phil Geier and Mr. and Mrs. Verne Daniels of Tahoe City enjoyed the weekend at the ranch of former Tahoeites Mr. and Mrs. Ray Frazier at Volcanoville. The men folks hunted but found nothing but tracks. The Fraziers visited their Lake Foest home over the past weekend, closing their property here for the winter.

Mr. and Mrs. A. M. Henry of Tahoe City hosted a family dinner party last Sunday, their guests including Mrs. Henry's mother and brother, Mrs. Mary Planett and Fred Planett of Verdi, Miss Lois McClatchy of Sacramento, Mr. and Mrs. Verne Daniels and Mr. and Mrs. Al Henry Jr. and children, Karen and Gary, of Tahoe City. The Daniels are leaving the end of the week to visit briefly in Verdi at the Planett home, then will motor to Exeter to visit relatives and continue on to Palm Springs to remain indefinitely.

Mr. and Mrs. Jake Stuart entertained at their Lake Forest home last weekend their son-in-law and daughter, Mr. and Mrs. Lincoln Dempsey of San Luis Obispo and their children, Pat, Mike and three months old Daniel Kevin. They were accompanied by Mr. and Mrs. Gene Johe and children, Genie and Fay. The men folks hunted while here but shot nary a buck. The group departed homeward Sunday.

Good luck, good health and happy days to all. As ever, Swanee.

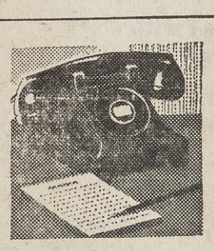
While working—on the job or around home—telephone men find these glasses virtually eliminate eye injuries

SAFE SIGHT Their vision may be perfect, but most telephone men wear glasses now—special safety glasses that look like ordinary ones

Next time you see a group of telephone men at work, take a second look. Chances are you'll notice they're wearing glasses, perhaps in several different styles. A coincidence? No—for most telephone men now wear individually-fitted safety glasses, and experience has shown that they drastically reduce the danger of eye injuries. That's because they're rimmed, specially treated glasses that won't shatter or break under severe impact. In the last 2 years, they've been issued to some 20,000 Pacific Telephone men as a key part of our Eye Protection Program. And this program is actually only one part of the company-wide safety campaign that has made telephone jobs among the safest in the nation.

Far above the ground, this cable-splicer is completing an aerial splice. Looks hazardous, doesn't it? But the fact is, he's a lot safer than the average pedestrian crossing a busy street. The "messenger strand" from which his work platform is suspended will support a weight far in excess of the safety requirements. His glasses, safety belt, gloves, tools and methods of working are all carefully designed to guard his safety. And, of course—like telephone people everywhere—he observes the familiar Bell System creed: *No job is so important and no service is so urgent that we cannot take time to perform our work safely.* We think it's a good creed—especially important to us, to you and to the nation in these critical times.



Your telephone is one of today's best bargains

Perhaps the best way to illustrate how low telephone rates are today is to compare our prices with those of other things you use every day—food, for instance. If the price of coffee, for example, had gone up no more, since 1940, than average telephone rates in Pacific Telephone's territory, you'd be able to buy coffee today for about 29 cents a pound.

FIRE PREVENTION PROGRAM AT TAHOE SCHOOL

TAHOE CITY— The student body and faculty fo Tahoe Lake School enjoyed an assembly on October 6 on the subject of fire prevention. Al Henry Jr., chief of the Tahoe City volunteer fire deparment, spoke and distributed pamphlets and funny books on fire prevention. After the assembly, meeting were held in each classroom to discuss how young people can help prevent fires in our area.

Class Party

Grades four through six enjoyed a party at the school on the evening of October 3. The children danced, played games and had refreshments. Chaperones for the affair included Mrs. Robert Briggs, the children's teacher; her husband, Mrs. William Ball, Mrs. Al Henry Jr., Mrs. Wayne Poulsen, Mr. and Mrs. Charles Rich, Mrs. Pascal Huega, Mr. and Mrs. John Gelmstedt and Mrs. Leonard Bury. The dance was deemed to be very successful with about 20 children attending and more dances are being planned for the future.

Assembly Program

On Wednesday, October 15, the entire school staged an assembly for themselves and a group of visiting parents. The kindergarten and first grade room presented a series of dramatizations and singing. In the second and third grade room the following youngsters were scheduled to perform: Joe Sheehan, Betty Proctor, Donna Wright and Sharon Quinn, vocal sols; Joy Ferris, Binth Rustad, Shirley Bisher and Gwen Johnson, vocal quartet; Karen Grah, Donna Wright, Sandy Fellows, Joy Ferris, Sharon Quinn and Vicki Rich, dancers; Suzanne Sprague, recitation; and Carolee Campbell, Hawaiian dance. In the fourth, fifth and sixth grades: Jo Ann Pomin, Joy Gelmstedt, Carolyn Henry, Sharon Bechdolt, Diane Speeter, Mary Ann Stark, Marjorie Wegley, Bill Conners and Gene Bisher, singers; Chris Poulsen and Sharon Bechdolt, piano solos; Doug Ball, violin solo; Mary Ann Stark and Diane Speeter, recitations; Rex Donaldson, Billy Conners, Gene Bisher, Mary Ann Stark, Marjorie Wegley, Donnie Henry, Doug Ball, Kenneth Johnson, John Quartly, Paul Quartly, Kenneth Wilson, Randy Pomin and Gary Henry, in original skits.

A PAINTING FOR THE CHAPLAIN—Sergeant Hwang Byung Tae, right, presents an unusual religious painting to Army Chaplain (1st Lt.) John W. Lind, of Moriah, N.Y. The 23-year-old former Korean art teacher, now attached to the U.S. Army in Korea, used ordinary paint on plywood for the picture, for oils and canvas were unavailable.

Counties Recieve Share Of Forest Money

The National Forests in California returned over 3¼ million dollars to forest counties for roads and schools for the fiscal year ending June 30, 1952.

In announcing this sum Regional Forester Clare Hendee points out that this revenue to the counties, in lieu of taxes on National Forest lands, is provided for by federal law. The act provides that 25 per cent of the gross receipts from National Forest lands shall be returned to the state in which the forests are situated. The state then distributes these monies to the counties on the basis of the proportionate area of the county within the boundaries of a National Forest. An added 10 per cent of forest revenues is made available to the Forest Service for roads and trail work in the National Forests.

Special Election Proclamation

I, EARL WARREN, Governor of the State of California, do hereby proclaim that a Special Election will be held throughout this State on Tuesday, the fourth day of November, 1952, to submit to the qualified voters of the State of California the following constitutional amendment proposed by the Legislature during its Second Extraordinary Session of 1952:

Assembly Constitutional Amendment No. 3, relating to the issuance of bonds to provide loans and grants to school districts of the State.

Said Special Election will be held under the authority of Chapter 19, Statutes of the Second Extraordinary Session, 1952. It will be consolidated with the General Election to be held on said date of November 4, 1952, and the consolidated election will be held and conducted in all respects as if there were only one election.

I further proclaim that at such election there will also be submitted to the vote of the electors such proposed constitutional amendments, questions, propositions, and initiative measures as are required to be so submitted by the Constitution and laws of this State.

And I do hereby offer a reward of One Hundred Dollars ($100) for the arrest and conviction of any person who violates any of the provisions of Division 14 of the Elections Code; the rewards to be paid until the total amount hereafter expended for the purpose reaches the sum of Ten Thousand Dollars ($10,000).

IN WITNESS WHEREOF, I hereunto set my hand and cause the Great Seal of the State of California to be affixed hereto this eighth day of October, 1952. (GREAT SEAL)

Boundary Dispute Once Only Barrier to Formation of East Slope County

Reprinted from
NEVADA CITY NUGGET

NEVADA CITY— When Henry G. Loehr of Truckee, chairman of the Nevada County Board of Supervisors, raps the gavel for adjournment of a meeting, he tells his fellow supervisors:

"Well, men, I better be getting over the hill to Donner County."

It's a goo laugh because, of course, there is no Donner County.

But hundreds of residents of Nevada County do not know that there ALMOST was a Donner County more than 70 years ago.

The story of the formation of "Donner" County is a diverting tale that goes something like this:

Eastern Nevada County in the sixties and seventies had considerable population and a sound economy. The people of the area were all steamed up over the Central Pacific Railroad plans. Truckee, they were sure, was destined for greatness as a rail center.

The ice business was flourishing. Seven major companies were cutting, storing or shipping ice from big ice ponds along the Truckee River. Lumber and logs were being shipped to the Comstock mines of Virginia City.

Fish from the Truckee River commanded a top price in the swank restaurants of San Francisco. So-called "Sierra Mountain Trout" were deemed a great table delicacy in the flossy eating houses of the east.

So why not Donner County?

Maps were drawn and approved. The western boundary of the proposed county was to be along the Sierra Nevada summit.

An architect was engaged to draw plans for an elaborate courthouse in Truckee. Politicians of the area prepared a slate of county officers.

There was no objection on the part of the five newspapers of Grass Valley and Nevada City.

The two cities were concerned with mining and were too busy thinking about what the Narrow Gauge railroad would do for this area, to be greatly worried over activities in the eastern end of the county. There is no evidence that the local newspapers were in favor of the idea, but at least they had no quarrel with the plan.

Assemblymen and senators were prepared to go along with the proposal.

At this point the Donner politicians became land greedy. Instead of the proposed county line along the Sierra summit, they moved it down the western side to include some of the valuable upland lakes and reservoirs. Again the map was redrawn to include still more lakes and reservoirs.

At this point the good folks of western Nevada County got on their war horses. The local press took up the cause and the fight was on.

Within a year or two the proposed Donner County was an almost forgotten issue. Politicians tried occasionally to revive the plan, but Donner County was a geographical "dead duck."

The story of the rise and fall of Donner County is ably summed up in an editorial in the Nevada City Daily National Gazette of April 4, 1870. The editorial was succinctly titled "Defunct."

The pithy observations of the editor follow:

"The Donner County scheme has been finally killed, by the indefinite postponement of the bill to create said county.

"We rejoice at its death and trust that our Truckee friends are resigned to their situation and are willing to remain citizens of Nevada County.

"When the idea was first suggested of cutting off the eastern slope of this county to accommodate the Truckeeites and give them a county of their own, no objection was made by any paper in the county. It was then supposed the boundary would be near the summit.

"But afterwards when some of the friends of the proposed new county became too greedy and demanded too large a slice of our domain on this side of the summit, public opinion changed and was averse to the selfish scheme of the grabbers.

"By being too greedy the Donner County men lost all.

"We are unwilling to part with our Truckee friends and we trust they will not object to staying with us."

So, when Supervisor Henry Loehr says he must be on his way back to Donner County, he may be expressing a still lingering hope in the hearts of some of the good folks of the Truckee area that someday they will have their own Donner County.

Such hopes and dreams do not die easily or quickly.

GRASS VALLEY AREA TRAFFIC TOLL UP OVER LAST YEAR

SACRAMENTO —(C. N. S.)— Rural traffic deaths in the Grass Valley area during the first eight months of 1952 totaled two and injuries 19, and the accidents causing them numbered 15, the California Highway Patrol reports.

The toll compared with no deaths, 16 injured and 12 accidents during the January-August period last year, officials stated.

Throughout California, during the same period, 19,196 rural accidents claimed 1578 lives and caused 31,031 injuries. For the period in 1951 the death toll stood at 1520 and injuries at 28,218, according to the patrol.

The Cocoanut Grove fire in Boston killed approximately 500 persons Nov. 28, 1942.

"Whatever You Do - Vote YES on 2"

OUR SCHOOLS ARE IN TROUBLE! Because of the inflation, soaring birth rate, and huge out-of-State population increase since the end of the War, most school districts in California today just don't have enough money to make ends meet!

PROPOSITION 2 IS THE ANSWER. Proposition 2 gives school children and taxpayers *both* a break by increasing the State's share of school support—thus keeping our schools open without increasing the tax burden on homeowners.

WE ALL WANT BETTER SCHOOLS. We may differ deeply on election day over candidates and other ballot issues, but we all agree our children's educational needs must be met. That's why Democrats and Republicans, labor, business and farmers, *all* say: *Whatever you do—*

Vote "YES" on Proposition 2

Pomins Celebrate 51st Wedding Date

TAHOE CITY— Mr. and Mrs. E. H. Pomin of Tahoe Park celebrated their 51st wedding anniversary this year by attending the birthday dinner of their grand son, Stanley Pomin Jr. of Sparks. The young man, who turned 20, has passed his physicals with Uncle Sam and is classified A1 for the U. S. Infantry. The Stanley Pomins, former residents of Tahoe Valley, are now residents of Sparks where they own a new home and where Pomin is chief inspector at the Douglas Airplane Parts plant there.

During his term as president, John Tyler vetoed 10 bills.

LAW ACTION OVER TAHOE TAVERN HAS BEEN SETTLED

TAHOE CITY— John S. Flagg of Tahoe Park announced that he and his brother, A. J. Flagg of Oakland, have settled the suits between themselves and the Tahoe Tavern Resort Company which were to have been heard September 24, 25 and 26 in Placer County superior court at Auburn.

The settlement reached dismisses the action, with prejudice, and Albert Ichelson and his son Fred, owner and manager of the Tahoe Tavern, have agreed to pay $1,000 a year for the 18-acre tract on which the resort's sewage disposal is located, behind the Tahoe City telephone building. The agreement gives them the non-exclusive right to the property for a period of five years, after which time the lease expires.

Ichelson in December, 1949, brought suit against the Flaggs, from whom the Tavern was purchased two and a half years ago, for $25,000, charging that logging operations on the section of property on which their sewage plant is located, had broken the sewer pipes and was preventing the opening of the Tavern for winter operation that season.

Subsequent investigation by the Flaggs allegedly disclosed that the lines were not broken but only frozen, since they had not been drained at the end of the summer season.

LAKE WOMEN'S CLUB PUBLIC DINNER AT INN NEXT MONDAY

TAHOE CITY— The annual dinner at the Women's Club of Tahoe will be staged this year at Tahoe Inn in Tahoe City on Monday, October 20, at 6:30 p.m. in the hotel dining room. Manager William Bechdolt is loaning the kitchen and other facilities to the ladies, who anticipate close to 100 persons for the delicious ham dinner. The general public is invited. Price per plate for adults is $2 and for children under ten $1.

Proceeds from the affair will go into the club's treasury for charitable enterprises.

Mrs. Louise Geier and Mrs. Anderson are publicity chairmen, and Mesdames Geier, Anderson and Beulah Carnell are in charge of the table setting and arrangements. Mrs. Rose Boyiardides will assist in the service which will be buffet style.

Mesdames Pearl Snyder and Sara Hunter were hostesses at the Thursday noon luncheon party at Bacchi's Lake Forest Inn, which was attended by 23 ladies. A business meeting was presided over later by President Blanche Donaldson.

Australia will produce approximately 35,000,000 gallons of wine this year.

SPEEDY RESPONSE CHECKS SPREAD OF SMOKER FIRE

TAHOE CITY— A small "smoker" fire which, if not discovered when it was might have proved serious, was quickly brought under control last Thursday by the Tahoe City roving tanker, manned by the volunteer fire department. Chief Al Henry Jr., Basil Kehoe and Bill Bechdolt comprised the crew. They poured 500 gallons of water on to saturate the ground around the fire area before leaving.

The blaze was discovered by Harry Parsons, whose wife is the forest service lookout at Martis Peak on the north end of the lake. The Lake Tahoe fire control station was notified at once and Patrolman Clarence Beavers hastened to the spot on the side of the hill about half a mile up Blackwood Canyon. The crews arrived within minutes of the alarm and assisting in the mop-up operations were fire crew chief Dean Benson and men of Truckee.

Since speed is the most important element in stopping a forest fire, the time of arrival is highly commendable. The fire was reported at 11 a.m. Beavers arrived at 11:05 and the fire was under control at 11:10. Couldn't improve much on such a performance.

4-LANE DONNER PASS ROUTE IS URGED BY SPARKS COUNCIL

SPARKS— The Sparks, Nev., city council Monday night unanimously passed a resolution to be sent to Congress supporting the campaign to make the Donner Summit highway into a four-lane route.

The resolution was introduced to the council at the urging of the Placer County Chamber of Commerce. The Placer chamber has sent the resolution to many organizations in California, Nevada, Colorado, Wyoming and Nebraska urging them to support this measure.

A bill to make the Donner highway four-lane will soon be brought up before Congress. The Placer chamber claims the Donner route is a main trunk highway and of great military importance.

They pointed out that many of the goods shipped through San Francisco travel over the highway. They also claimed that in case San Francisco is ever attacked, emergency aid will have to travel over the highway and it should be in good condition in case of such an event.

The cornerstone of the White House in Washington, D.C., was laid October 13, 1792.

Western Pine Production Up for 3rd Quarter

Preliminary estimates on shipments from the Western pine producing region place the third quarter figure at 1.94 billion feet or five per cent above the third quarter in 1951, the Western Pine Association reported this week.

SUMMIT SCENE

by FRAN COUILLARD

In reminiscent mood we think of the many changes that have occured on the hill in the past several years. The "old guard"—the pioneers of the most beautiful country on earth, through travail and hard labor—one by one quietly fold their tents and steal away to the peace and contentment they so richly deserve. We know of several drastic changes that are due to occur in this area within a few short weeks but the one we are given permission to print at this time is the sale of Donner Summit Lodge. We come fresh from an interview with Johnnie Houtman and Bert Marvich, both of Sacramento. John, a Chico-raised man, embraces his new undertaking with a dynamic personality and a fresh approach. There isn't a person in the area who hasn't enjoyed the hospitality of Donner Summit Lodge under Bud Horak's management and Bill Rutherford's ownership and while know we will miss our long time neighbors and friends, Johnnie neighbors and friends, Johnnie Houtman promises the same tried and true hospitality that has always characterized friendly Donner Summit Lodge.

Bert Marvich enjoys a reputation as a chef supreme, having been in the restaurant business for many years. He comes straight from Sacramento's Dinner Bell cafeteria and looks forward to giving mountain frequenters fine foods. With the two new owners comes a goodly bit of pulchritude whose name is Dorothy Ryan. Dorothy, we understand, will officiate as hostess and hails from the Peabody Hotel of Memphis, Tenn. John and Bert plan a "get acquainted" party for some time in the near future. We'll be letting you know.

The last meeting of the Donner U.S. 40 Chamber of Commerce brought together the hill folks from Emigrant Gap to Donner Lake and a goodly crowd turned out for the announcement of the progress that is being made by this newly organized and enthusiastic group of Highway 40 business people. Jack Woodard was made chairman of a party to be thrown on November 15. Hold on to your hats, folks—this party already has a name and will be called the Donner Party! Mother Hubbards, jeans, calico and sunbonnets will be the necessities for this unique wing ding and Jim Sherritt, also on the committee, suggests an old fashioned box lunch auction for the occasion. We give you this much warning so that you can let down your hems, uncurl your hair and get ready for a party that's out to end all parties. Sounds like fun and anything can happne. Purpose of same, of course, is to raise some more money for our baby chamber. Winding up the meeting in fittin' style, Dennis Wiles of the Sierra Club surprised everyone with his movie of last winter's Big Snow. Well edited, beautifully done and quite professional! Part of the snow scenes were taken from film caught by Herb Frederick of Norden. Think you'd enjoy this film even though you'd rather forget the Big Snow.

Beautiful weather happens to be our lot at this time, making visitors exclaim that this is the most marvelous fall season ever experienced. We under order in our business continually, using the past year's records as our criterion and still weekends find crowded highways as the valley folks and city dwellers climb these heights to bask in Sierra sun. This season, hitherto known as the "slow" season breaks all records for business which makes us realize that the "Great Leveler" is trying to make up for the winter that we can refer to as the "plague."

This unpredictable country gave us another thrill the past Sunday. Jim Marrott, formerly of Palo Alto, now lives in the Aro home between Kingvale and Soda Springs. If you've noted the Aro homes are nestled in a little hollow below the highway level. Of all the spots where one would think a television operation would not work, this would be it. However, Marrott, an experimenter, brought up his two-year-old TV set from Palo Alto "just for fun," set it up in his living room, put the aerial on his front porch and tuned in. With the set not even properly set up, he immediately got two channels as clear as a bell. At this writing, Jim is up in a tree installing the rest of the paraphernalia and we scratch our head wanting to know "how come?"

Up from the lowlands comes Irma Ledgerwood and Hildegarde Pratt for a chat. Hear Harry Pratt, former owner of Pratt's Garage, has a new gas station and the works in San Francisco around Ninth and Mission Streets.

California's firt American public school opened in San Francisco April 3, 1848.

"But why not, Matilda? After all, aside from taxes, gasoline costs about the same now as in 1925!"

It takes a far smaller share of your income to keep your car in gasoline today. Oil men have been beating increased costs with technical efficiencies that hold prices down—*and yield better gas:* two gallons now do work that used to take three. That's *progress.*

TRIAL ASKED IN ARRESTER CASE

TAHOE CITY— Harry Graton of Kings Beach, who was cited by Forest Service Officer Clarence Beavers for failure to provide a spark arrester on a tractor he was operating near Squaw Valley, has entered a plea of not guilty before Judge C. W. Vernon at Tahoe City and asked for a jury trial.

The trial will be set at the convenience of the district attorney's office and in the meantime Graton's bail was set at $200.

Jet Fuel Conservation

Jet engineers, seeking to combat the aircraft jet engine's greatest handicap — its high fuel consumption — believe that a 25 per cent fuel saving will come in a few years. They think a 50 per cent reduction is possible within 10 years.

Attend Wedding—
Mr. and Mrs. Charles Cozzi and son Chas attended the wedding of her niece in the bay district last weekend, Chas acting as an usher at the service.

Hears Opera—
Mrs. Mary Zunino attended the opera in San Francisco Tuesday evening and is expected home today from Oakland, where she has been visiting relatives.

Leitchs Here—
Mr. and Mrs. A. P. Leitch of Placerville visited local friends on Saturday.

Teacher's Father Ill—
Miss Patricia Meddaugh is expected to return from the bay district where she was called early this week by the illness of her father. Mrs. George Bergen has been the substitute teacher for the kindergarten class during her absence.

Hand Hurt—
Mrs. Maude Gaffield is being treated by Dr. L. D. Nelson for a deep cut in the back of her left hand, suffered while she was working in the kitchen at the Flycasting Club.

Mother Recuperating—
Mr. and Mrs. Reg Smart have returned from a trip to Oakland, where they visited the former's mother, who is recuperating from a recent operation.

New Method for Presenting State Damage Claims

In the future, valid claims for damages against the State of California resulting either from negligent operation of a state-owned motor vehicle or from some other negligent act or omission of a state officer or employee, will be prosecuted through the State Board of Control, in accordance with applicable law.

This is according to information received by T. T. Buell, district division of highways superintendent, who indicated that most claims for damage caused by snow removal equipment in the past have been processed through the division headquarters.

It will serve no purpose to present a bill for the repair of damages, or a claim in some other form, to any officer or employee of the division of highways, the notice said, since the division is not authorized to recognize such claim, nor has the legislature made funds available to the department of public works for the payment of such claims.

Involved Proceedings

Under the current authorization, the procedure is rather involved. If the claim arises out of the operation of a state-owned vehicle, the board of control is authorized to automatically deny such claim and turn the matter over to the state's insurance carrier. The state is insured against the negligence of state-owned vehicle while being operated by state employees within the scope and course of their employment.

If the state's insurance carrier refuses to accept liability and pay such claim, then the claimant's only remaining recourse is to commence legal action against the state.

Requires Legislation

The procedure is considerably more involved in event the claim arises out of some negligent act or omission other than the operation of a motor vehicle. In that event, the board of control sets a date for hearing where it receives evidence and considers the claim. Thereafter it will allow or disallow the claim. If allowed, the claim will be referred to the next legislature where it will be studied and if it has merit the legislature will appropriate the necessary money to pay the obligation. This latter action may take many months.

In the past, many accidents involving parked cars, neon signs and other property has occurred in this area, especially during the winter months and in many cases claims have been almost immediately paid. Just what effect the current regulation will have in these cases is a matter for conjecture.

Tahoe Man Pays Fine For Assault

TAHOE CITY— David Ashton of Kings Beach was fined $125, after pleading guilty to a charge of assault and battery filed by Richard Fernandez, also of Kings Beach. Judge C. W. Vernon, before whom the case was heard, suspended $100 of the fine and placed the defendant on probation for six months.

Fernandez charged he was knocked off a stool by Ashton during an argument.

FIREMEN MEET

The Truckee Volunteer Fire Department ended its summer recess with a meeting at Brown's Cafe Tuesday evening. Routine business was discussed and Tony Pace, assistant chief, presided.

Woman is Sentenced To Write Thesis

TAHOE CITY— Judge C. W. Vernon tried an innovation in his court on October 8 when Mrs. Dorothy Bisher of Homewood appeared before him on a charge of burning trash without a permit.

She was cited October 3 by Forest Service Officer Clarence Beavers. Vernon fined Mrs. Bisher $25 after she pleaded guilty but he suspended sentence and placed her on probation with the provision that she write and present to the judge each week a thesis on burning laws and fire prevention as long as fire regulations are in force.

Return from Florida—
Mr. and Mrs. A. Benjamin returned Tuesday night from Tarpon Springs, Florida, where they attended the funeral of their eldest son, Joseph Benjamin.

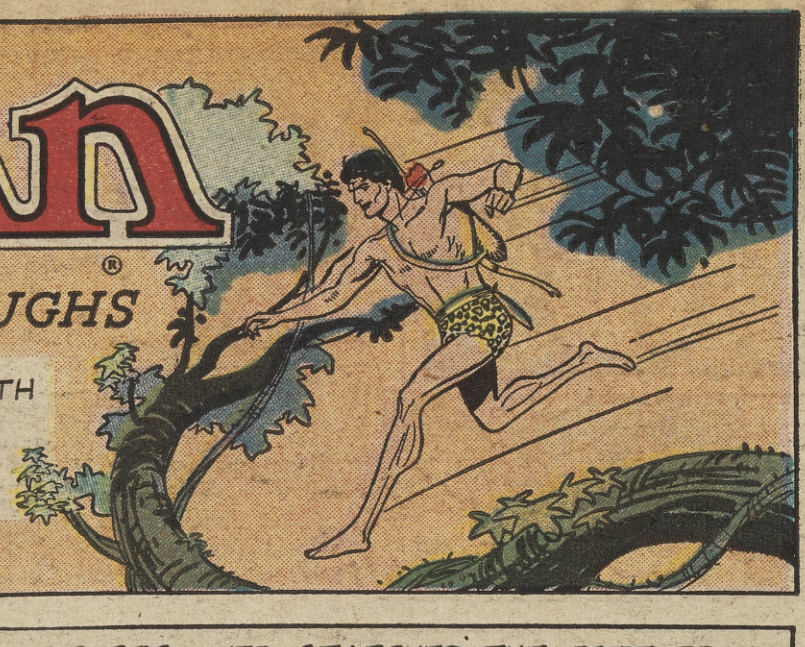
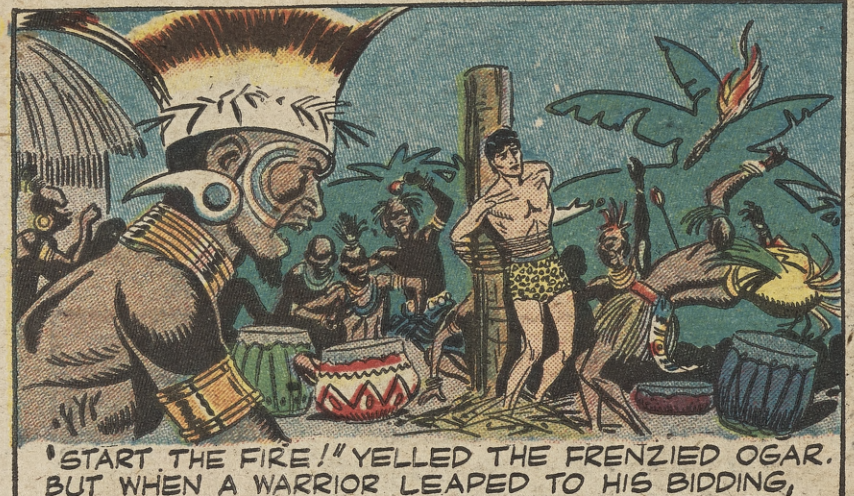
CURIOUS WHEN HE OVERHEARD THE DEATH MESSAGE OF OGAR'S PEOPLE, TARZAN SPED TO THE VILLAGE -- UNAWARE THAT THE VICTIM TO BE BURNED WAS HIS TWIN, JOHNNY RINGO, THE MOVIE ACTOR!

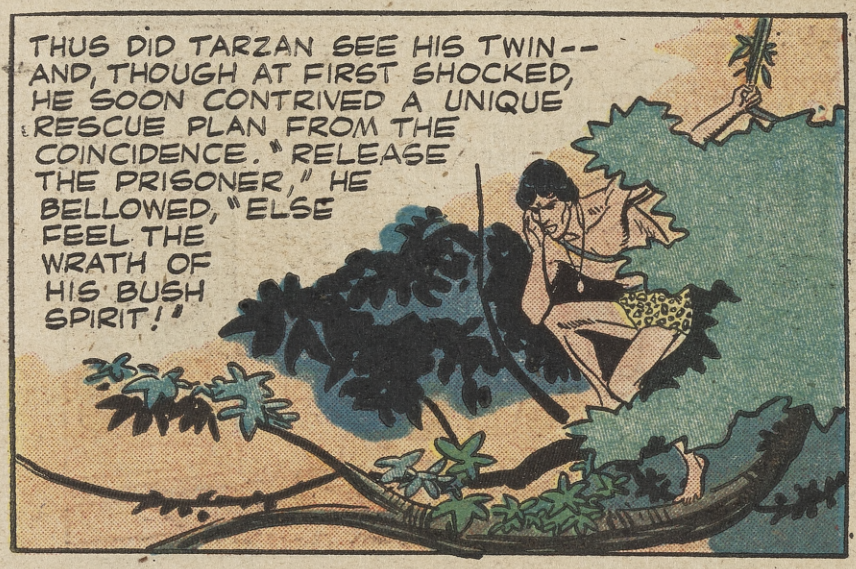


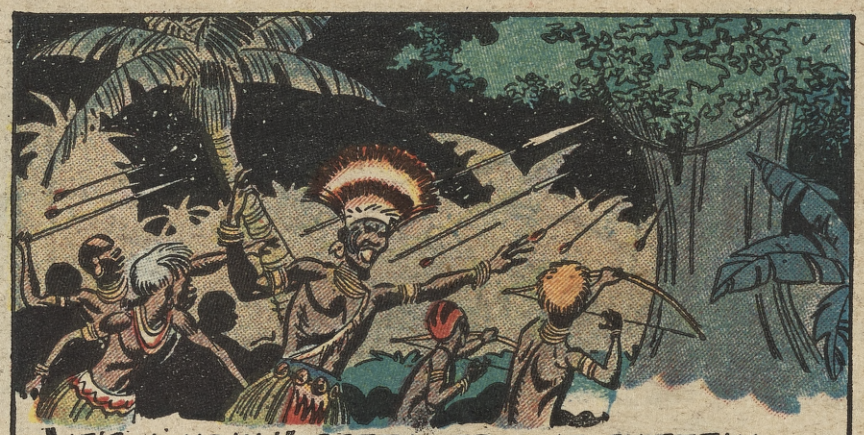


"START THE FIRE!" YELLED THE FRENZIED OGAR. BUT WHEN A WARRIOR LEAPED TO HIS BIDDING, HE WAS STRUCK BY A WELL-AIMED ARROW!

ALL FIGURES, AWED, SEARCHED THE TREE FROM WHENCE THE DEATH-SHAFT HAD COME -- INCLUDING JOHNNY RINGO, NOW SPARKED WITH HOPE.

THUS DID TARZAN SEE HIS TWIN -- AND, THOUGH AT FIRST SHOCKED, HE SOON CONTRIVED A UNIQUE RESCUE PLAN FROM THE COINCIDENCE. "RELEASE THE PRISONER," HE BELLOWED, "ELSE FEEL THE WRATH OF HIS BUSH SPIRIT!"





"IT'S A HOAX!" SCREAMED THE CHIEFTAN. "DOWN THE ENEMY FROM HIS HIDING PLACE!" INSTANTLY THEY SHOWERED THE TREE WITH ARROWS AND SPEARS.

BUT TARZAN, UNHARMED, SWUNG OUT IN AN ARC OVER THE STARTLED GROUP, HIS FACE TEMPORARILY HIDDEN FROM VIEW --
